To Whom It May Concern:

The Lebanon Historic Preservation Commission voted to recommend approval of the establishment of a local historic district on the Square. The Commission believes that through the establishment of a local historic district, the character and historic significance of our City can be preserved.

There will be three additional meetings for the proposed Square Historic Preservation District. The Planning Commission and City Council would like to hear your input on the creation of the district. The Square Historic Preservation District meeting schedule at Planning Commission and City Council is below. All these meetings will occur in the Council Chambers at 200 North Castle Heights Avenue.
