The duties and powers of the commission shall be to study, investigate, develop, and carry out plans for improving the health, sanitation, safety, cleanliness, and aesthetic influences and values of the city by beautifying the streets, highways, alleys, lots, yards, and other similar places in the city; to aid in the prevention of fires, diseases, and other casualties by the removal and elimination of trash and other debris from the streets, highways, alleys, lots, yards, plots, and other similar places; to encourage the placing, planting, and preservation of trees, flowers, plants, shrubbery, and other objects of beauty and ornamentation in the city; to protect song birds and other wild fowl; to advise with and recommend plans to other agencies of the city for beautification of the city; and otherwise to promote public interest in the general improvement of the appearance and aesthetics of the city. Nothing herein shall be construed to abridge or change the powers and duties of the other commissions, departments, boards, and like agencies of the city.

Commission meets on the 4th Thursday of the month at 12 noon in the Town Meeting Hall.
