

CITY OF LEBANON
RESIDENTIAL CHIPPER SERVICE POLICY

1. Zone / Routes

The City will be divided into two 2 pickup zones.

Zone 1 includes areas that were previously picked up on Monday and Tuesday routes.

Zone 2 includes areas that were previously picked up on Wednesday, Thursday, and Friday routes.

2. Schedule

Zone 1 service will begin the first Monday of each month. Citizens will need to place all trimmings, limbs, bagged grass clippings and bagged leaves out by 7:00a.m. the first Monday. City workers will make one run through the zone so please have your items out by 7:00 a.m. Monday morning.

Zone 2 service will begin on the third Monday of each month. Citizens will need to place all trimmings, limbs, bagged grass clippings and bagged leaves out by 7:00a.m. the third Monday. City workers will make one run through the zone so please have your items out by 7:00 a.m. Monday morning.

3. This service is provided for disposal of limbs, brush and leaves as related to the resident's routine and normal maintenance of trees, bushes, and shrubs upon resident's occupied property. Resident is defined as a single family home or duplex.

4. The maximum diameter of limbs that will be picked up is **6** inches. Maximum length is **8** feet.

5. Pile should not exceed **10'** in width, **8'** in length (depth from ROW) and **5'** in height.

6. Service is provided to homes located on public streets. Vacant lots are not served.

7. The Limbs, brush and leaves must be piled within six (6) to eight (8) feet of the paved roadway. Pile should not be placed in the ditch or obstruct visibility of the traveling public. Limbs must be separated from the leaves.

8. Grass clippings must be bagged. Leaves must be bagged except when the City operates the fall/winter leaf vacuum program.

Items That Cannot Be Picked Up:

Root balls, stumps, or logs.

Plastic, metal, or wire.

The City Does Not Pickup After Commercial Contractors.

Questions related to this policy shall be directed to the General Services Administrator at 615-444-0825 ext. 5100 / 5103 or Commissioner of Public Works at 615-443-2824. Information is also available on the City Web page-
